Flourish: Positive Psychology and Positive Interventions

About ten years ago I wrote a book called Authentic Happiness in which I asked the question, what are the components of happiness? I argued that the study of happiness could be dissolved into the study of positive emotion and engagement and meaning. The first element of happiness was positive emotion. The second was being absorbed, engagement.

Happiness and Utility: Jeremy Bentham's Equation

Bentham was using the 'greatest happiness' formula quite freely in manuscripts written some eight or ten years before its public reappear-ance in 1820. In one instance, indeed, a close approximation to the phrase was actually printed, though not published, as early as 1811 - in the incomplete printing, edited by James Mill, of An Introductory

Is Happiness the Beginning or the End?

The wording used 200+ years ago - "the pursuit of Happiness" - indicated that happiness was to be found only at the end of a chase. Even now, it's still widely believed that happiness is something you have to work hard for in order to earn. But there's a big problem with that viewpoint: we the people are terrible at finding happiness. A
