Introduction Thinking about Mediation

power sharing) or a power transition Strict evenhandedness is required for the former, but where the mandate specifies a power transition, mediators are hard put to be seen as impartial by both the government that is expected to exit and the opposition that will benefit In this case, mediators can avoid a zero-sum game by negoti-

A General Assembly - UN Peacemaker

Security Council, and among key regional powers Those divisions hinder the efforts of mediators and can create dynamics that lead parties to conflict to adopt intransigent and inflexible positions, denying mediators genuine unity behind the search for a political solution 13 Sixth, the cost and complexity of conflict has rightly focused renewed

Conclusion and Lessons

mediators had to invest in trying to reconstruct it To this end, they convened bilateral meetings of the great powers aiming to produce a document of agreement The meeting in Moscow on May 7, 2012, produced a joint acknowledgement that there was no military solution and that the conflict was a threat to both powers But agreement was not deep
